

Antiphon

I am the Living Bread

for Congregation, Choir (or Solo Voice)
and Organ

Antiphon

I am the Living Bread

I am the living bread
Come down from heaven.
If anyone eats this bread,
He shall live forever.
The bread I will give is my flesh
For the life of the world.

Note

The two Antiphons were probably composed in 1976. There is no record of performances of either of these pieces. It is possible that they were intended for inclusion in one of Fleischmann's masses. The texts suggest that they are communion hymns.
